

Nintendo DS enjoys support from every major publisher. The result is a library of more than 940 games in all genres. Thanks to the easy-to-use interface and fun games, millions of new players have been drawn into the world of video games. The downloadable Nintendo DSiWare™ service for the new Nintendo DSi™ system gives developers big and small a way to deliver their most original games directly to Nintendo DSi users. Nintendo DSiWare provides access to the latest and most inventive hand-held games from a variety of studios and genres.

Below is a partial list of upcoming games for Nintendo DS and Nintendo DSiWare. Note that game titles and launch dates are subject to change.
